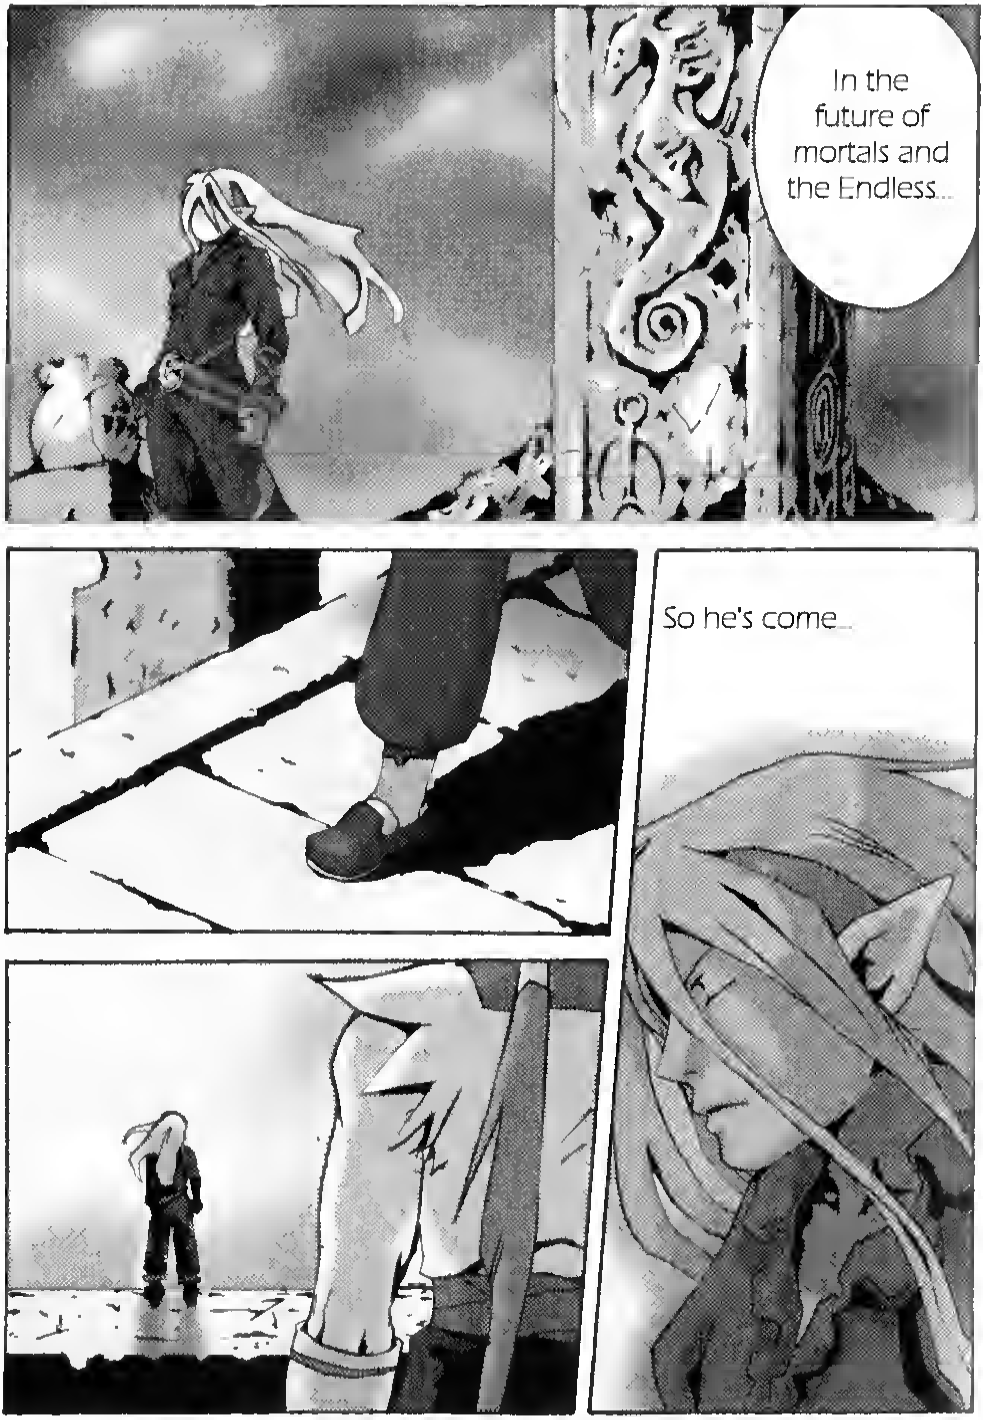
What an eerie place ....
I wonder if Emperor-san isn't lonely in this kind of place?
The Emperor is an Endless after all
It's not that strange
But I
I was relieved

Chick-ling... you...
Are you planning to argue down the Emperor?
...So she says.
I don't know
But,
I want to believe in it.
Ryu-san is certainly amazing, but,
We're all mortals, but we can change
Even we can do something...



In the future of mortals and the Endless...
So he's come...

T'is our first meeting, Myself...

I'll definitely be back, so,
It's all right.
Ry...
...u
Stay there, Nina
Thou ist far too involved with these mortals
How pitiful.

Thou art an Endless!!
We are
Gods!
Remember, Ryu!!

Uaaaaaa
Aaa
Ah
Ryu!!
ヤアアア

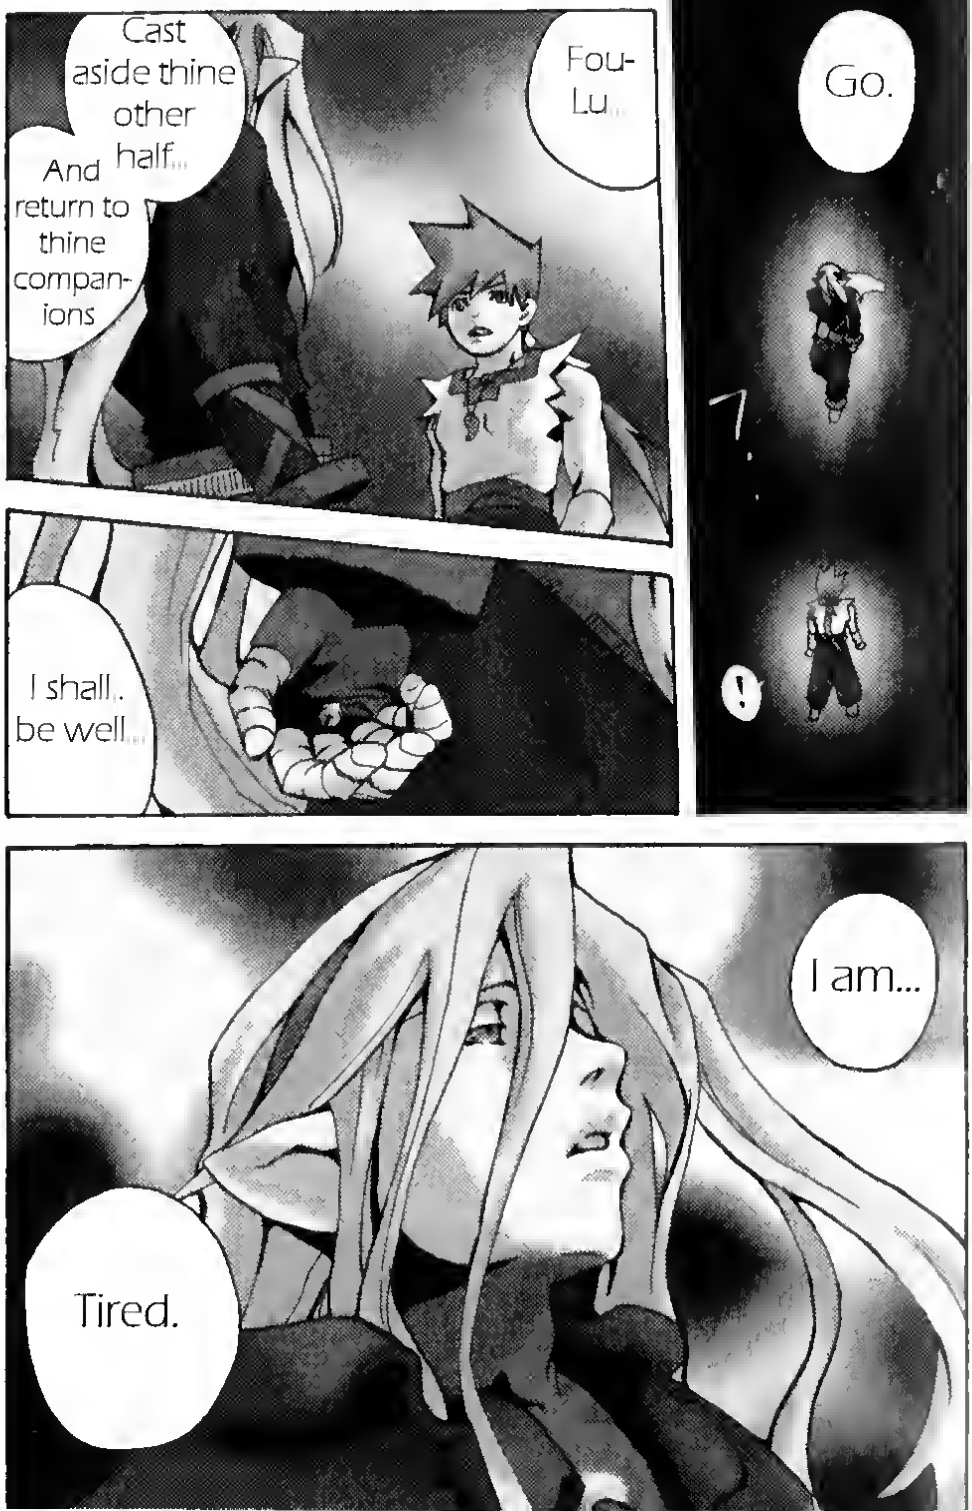
Ryu and the Emperor are
Drag-ons!!
Nina!!
Get out of the way-

Ninaaa!!

No matter where, mortals are foolish creatures. Cruel, and selfish..
Ryu...thou must remember.
For thou hadst seen it.
Don't!! You mustn't attack, Nii-sama!!
What are you saying?!
They are not worth protecting is that not so?
You're wrong!!

Because...
Ryu is inside of therell
People aren't
People aren't that dirty!!

*The phrase for this was "Unchanging Ones" without the "un-"



Cast aside thine other half...
And return to thine companions
Fou-Lu...
Go.
?
!
I shall.. be well...
I am...
Tired.

The Drag-ons.
Ryu ...?

R-
Ryu is...
a mortal...
Vanished?
The Dragon's aura has...
It appears so
Kyaa
There
I'm back
Nina.

I knew you would.
From the beginning.
